

# ECE Weekly

Ed. 12.15.15

The Ohio State University Department of Electrical and Computer Engineering

## Autumn 2015 Class grads

Congratulations to the outgoing undergraduate and graduate ECE students who made up the autumn 2015 class. Glad to have either written about, or worked with, many of these faces.

Watch a short video of the making of the class photo too:  
<http://go.osu.edu/au-2015>

## Roblin named IEEE Distinguished Lecturer

Honoring his more than 30 years with Ohio State ECE, prof. **Patrick Roblin** was just named a Microwave Distinguished Lecturer by the IEEE. Suddenly, he has a lot more travel plans. Story: <http://go.osu.edu/roblin>

## ESL teams up with Applied Radar on \$1.4M project

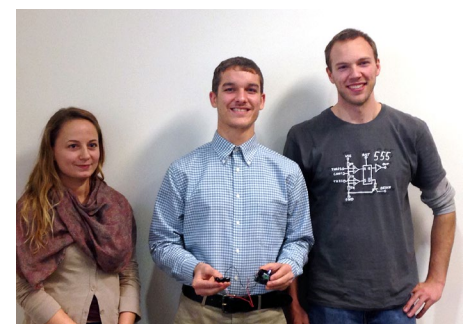

The **ElectroScience Lab** is helping **Applied Radar** in a \$1.4-million project to develop advanced radar and antenna systems for the **U.S. Department of Defense**.

Story:  
<http://go.osu.edu/applied-radar>

## Wireless Energy Contest Winner Declared

**Electronics Club** members at Ohio State partnered up with **Eta Kappa Nu** (HKN) to host an engineering contest for the **K-12 Engineering Outreach Program**. The challenge: Build and design the most efficient wireless energy transfer circuit project, using less than \$15 in supplies. Learn which student designs won out. Story: <http://go.osu.edu/wireless-contest>

## ECE List of Links

<http://www.facebook.com/eceosu>
