The Ohio State University Department of Electrical and Computer Engineering

Illindala wins YIP Award

ECE Assistant Professor **Mahesh Illindala** was named among the Young Investigator Award winners from the Office of Naval Research (ONR). The ONR Young Investigator Program (YIP) is one of the oldest and most selective scientific research advancement programs in the country. It funds early-career academic researchers, or investigators, whose scientific pursuits show outstanding promise for supporting the Department of Defense, while also promoting their professional development. Makeathon 2016 Recap

The second-ever **Makeathon** at The Ohio State University, was even bigger this year thanks in part to a collaboration between OHIO and several student organizations. You can find my story here: <http://go.osu.edu/make-recap>

Thanks The Lantern reporter **Tinae Bluit** for stopping by and featuring her review on the front page:

<http://go.osu.edu/lantern-make>

You can also find a bunch of photos from the event here:
