

Ph.D. Graduate Survey

The purpose of this survey is to extend public outreach and understanding of the important research and students coming out of ECE's Ph.D. program. Your answers could help inspire young engineering students or attract increased media coverage for your work. Thank you for your participation. Please drop off the completed survey to ECE Academic Program Coordinator, Patricia Toothman, 205 Drees Labs, 2015 Neil Ave. Columbus, OH 43210.

1. What is the title of your dissertation?

2. What is your research area? Underline your answer: Analog and RF Electronic Circuit; Bio-engineering; Communication and Signal Processing; Computer and Digital Systems; Networking; Computer Vision and Image Processing; Control Systems; Robotics and Intelligent Transportation; Electromagnetics, Remote Sensing and Microwaves; Electro-Optics and Photonics; Nanotechnology and Electronic Materials; Sustainable Energy and Power Systems

3. Who is/are your student advisor/co-advisors?

4. What publications and how many citations has your work received?

5. Briefly explain the basis of your research and findings, as you might to a non-technical audience:

6. Describe the potential impact of your work, as you might to a non-technical audience:

7. Please list any awards you received during your time in the ECE Ph.D. program:

8. Please list any conference or symposia where you presented your work:

9. Please explain why you chose The Ohio State University's Department of ECE for your degree. What has your time with the faculty and staff meant to you personally and professionally?

10. Provide an email address if you would like to stay connected and up-to-date on ECE information and alumni activities (Student awards, ECE Meetups, ECE Weekly Newsletter, etc.):

11. Have you accepted employment after graduation? If so, please list the company/organization and city/state:
