Parking
After exiting from SR 315 onto Lane Avenue you will cross a suspension bridge over the Olentangy River. Turn right at the stop light at Tuttle Park Place. Cross through the light at Woody Hayes Drive. Do not turn onto Ives Drive to the Northwest parking garage. Go past Ives Drive to the Tuttle Parking Garage (on the left) and park.

We recommend you park in Tuttle Parking Garage, which is the closest garage to Dreese Laboratories with visitor parking. **We will have garage parking passes for you to turn in when exiting, so parking is free.** Do not park in a surface parking lot, such as the stadium lot, without an Ohio State parking pass.

Dreese Labs is the building (see photo, right) just southeast of the parking garage. Enter via the east side of the building, from Neil Ave.

Date: April 5, 2014
Time: 1:00-4:30 p.m.
Place: The Ohio State University
Dreese Labs, 2015 Neil Ave.
Columbus, OH
Directions and parking: www.ece.osu/openhouse
