The EE/ECE Alumni Society and the Dept. of Electrical and Computer Engineering would like to invite you to the **5th Annual ECE Night**.

- Informative, casual event
- Panel discussion with ECE alumni about vast range of possible careers (you’ll be surprised!)
- Importance of co-ops and internships
- Positive roles of electrical and computer engineers in the world
- Networking with alumni
- Pizza and drinks will be available at 5:45pm

**PANEL MEMBERS**

Nitin Bhatt, M.D. (BSEE ’89) is a physician in the division of Pulmonary, Allergy, Critical Care & Sleep Medicine at The OSU Medical Center. His clinical and research interests are in pulmonary function testing, interstitial lung diseases and sleep medicine.

Brad Griffith (BSEE ‘04, MBA ‘07) is a web developer and entrepreneur. He runs a small web strategy and engineering agency, Buckeye Interactive, in New Albany, Ohio. He is also the Chief Technology Officer for a web startup, SmartCrowdz.com.

Ronald J. Koch, P.E. (BSEE ’89) is a licensed professional engineer (electrical) in Ohio, a licensed patent attorney, a licensed Ohio attorney, and maintains a solo law practice in Columbus.

David S. Plaga (BSEE ’96) is a licensed professional engineer and has worked at Lake Shore Cryotronics since graduating. He is now the Instrument Engineering Manager and has worked on embedded code (firmware) as well as analog and digital design for scientific instrumentation.

Gursharan Reehal (BSEE’96, MSEE’98, PhD’12) Her research focuses on Low Power and High Performance Network on Chip (NoC) design solutions. She has worked for Lucent Technologies, Columbus, OH as a Hardware Test Engineer and interned at Intel Labs and Intel Corporation.

Tyler Sampson (BSECE’09) currently lives and works in Cincinnati, Ohio, where he is employed as a Control Engineer for Procter & Gamble.
