Hello Buckeyes!

Texas Instruments (TI) would like to invite you to apply for our TI Scholars program, which includes a $3,000 scholarship and an internship in summer 2016.

To apply, click here.

You must apply by October 30.

All applicants must meet each of the following requirements:

- Junior ranking during the fall semester 2015
- Enrollment at The Ohio State University
- Majoring in one of the following disciplines:
  - Electrical Engineering
  - Computer Engineering
- Minimum cumulative GPA of 3.0
- Ability to accept internship assignment in summer 2016

In addition to the scholarship award and internship, TI Scholars will have the benefit of coaching and mentoring from leaders within our businesses, and exposure and visibility to senior leaders. When you join TI as an intern you tackle important projects early on. You don't shadow. You don't make copies. You dive into real-world projects that challenge you to find creative solutions to complex problems. We're changing the world, one chip at a time. Join us.
